Nate...

Please reserve the conference room then. We already have invites out. Thank you.

John,
No. The city clerk has it all day from 8:30 - 4:00 and the stamp club has it from 6-10:00 p.m. I'm pretty sure I had told you it was booked for the 28th...

Hi,

The attached info will be helpful to us for the Lincoln?Manchester BID.

Speaking of the Lincoln/Manchester BID, do we need to have an update of the community meeting? Have notices been sent out to the property owners? What is on the agenda? When do we need to be at the Community Room to set up? Well we need to get refreshments?

Are we still on for next Monday evening at 6:30 PM for this event?

Nate, would you please confirm the reservation for the community Room?

Or have I plugged in the wrong date and time for this event on my calendar? It would not be the first time. Please let me know if I have.

Thanks.

John

Attached are the up-dated ♦ telephone and staff assignments lists effective, ♦ Tuesday, February 22. ♦

There will likely be an adjustment ♦ period as Planning staff are relocated.

Please share this and any "corrections" that may come to your attention.
